thanks Graham Bilton

Working all [D] day and the sun don't [G] shine
Trying to get [A] by and I'm just killing [D] time
I feel the [D] rain fall the whole night [G] through
Far away from [Em] you, [A7] California [D] blue

California [G] blue dreaming all a-[D]lone
Nothing else to [A7] do California [D] blue
Everyday I [G] pray I'll be on my [D] way
Saving love for [A7] you California [D] blue

[A7] One sunny day, I'll get [D] back again
[G] Somehow, some-[A] way, but I [D] don't know when
California [A] blue, California [D] blue
Living my [D] life with you on my [G] mind
Thinking of [A] things that I left far be-[D]hind
It's been so [D] long doing all I can [G] do
To get back to [Em] you, [A] California [D] blue

California [G] blue, (California blue)
Dreaming all a-[D]lone (California blue)
Nothing else to [A] do, (California blue), California [D] blue
Everyday I [G] pray, I'll be on my [D] way
Saving love for [A7] you California [D] blue

[A7] One sunny day, I'll get [D] back again
[G] Somehow, some-[A]way, but I [D] don't know when
California [A] blue, California [D] blue

Still missing [Em] you, [A] California [D] blue
Still missing [Em] you, [A] California [D] blue
Still missing [Em] you, [A] California [D] blue
