

Let It Grow

artist:Eric Clapton , writer:Eric Clapton

Ending truncated

Standing at the crossroads
Trying to read the signs
To tell me which way I should
Go to find the answer
And all the time I know
Plant your love and let it grow

Let it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, let it grow

Looking for a reason
To check out on my mind
Trying hard to get a friend
That I can count on
There's nothing left to show
Plant your love and let it grow

Let it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, let it grow, let it grow

[Only ask, and you will,](#)
[Get what you are needing](#)
[The rest is up to you](#)
[Plant your love and](#)

Time is getting shorter
There's much for you to do
Only ask, and you will,
Get what you are needing
The rest is up to you
Plant your love and let it grow

Let it grow, let it grow
Let it blossom, let it flow
In the sun, the rain, the snow
Love is lovely, let it grow
