[A] [D] [A] [D] [E7] [A] [Em] [A]/ [A7]/

[D] You and me and rain on the roof,
[A] Caught up in a [D] summer shower,
[A] Drying while it [D] soaks the flowers.
[E7] Maybe we'll be [A] caught for [A7] hours,
[E7] Waiting out the [A] sun.[A7]

[D] You and me, we're gabbing away
Dreamy conversation, [A] sitting in the [A7] hay.
[D] Honey, how long was I laughing in the [G] rain with
you?
Cause I [D] didn't feel a drop till the
[A] thunder brought us [D] to.

[A] [D] [A] [D] [E7] [A] [Em] [A]/ [A7]/

[D] You and me underneath a roof of tin.
Pretty comfy feeling, how the [A] rain ain't leaking [A7] in.
[D] We can sit and dry just as [G] long as it can pour.
Cause the [D] way it makes you look makes
me [A] hope it rains some [D] more.

[D] [G] [D] [G] [A] [D] [Am] [D]

[D] You and me and rain on the roof,
[A] Caught up in a [D] summer shower,
[A] Drying while it [D] soaks the flowers.
[E7] Maybe we'll be [A] caught for [A7] hours,
[E7] Waiting out the [A] sun.
